

POSTER PRESENTERS INFORMATION SHEET

The following details will assist in the preparations for your poster presentation.

- a) THE MAXIMUM DISPLAY AREA is 900mm (wide) x 1200mm (depth) - see below. Suitable fixing materials will be available and provided to you in the Poster Area.
- b) Posters should be put into position *between 0900-1000 hours on Monday, 29 October* and should remain in position for the duration of the Congress. Posters should not be removed until lunch time on *Wednesday 31 October*, unless previously agreed with the Scientific Committee.
- c) The Poster Area is located in *Exhibition Hall 4/5* of the Scottish Exhibition and Conference Centre. Poster Presenters should report to the Poster booth within the Exhibition Hall on the morning of Monday 29 October. Congress staff will be available to assist individuals with the erection of their poster(s).
- d) Each poster will be allocated a specific display panel denoted by a card showing the poster number. **Please note that this poster display number will be different to any 7-digit file reference number being quoted in correspondence prior to the meeting.** In addition, each presenter will be asked to complete a card indicating their availability to be beside their poster for discussion purposes. On the evening of Tuesday 30 October there will be a reception around the posters and presenters are asked to be available at this time.
- e) Any further instructions will be advised in the Final Programme distributed at Congress Registration.
